MODEL OF PARA MANANA TO YOU,
OUR MIGHT, AND OUR POWER.

OUR ALMA MATER

Words and Music, Pablo Mares

In the foot-hills of the Sangre de Cri-sto Where the purple
sha-dows fall, There's a school we call our Al-ma Ma-ter
She's the greatest of them all. Where the blue and
gold will wave for-ev-er – 'Neath the tur-quoise skies so
blue, In our hearts S. F. H. S. will lin-ger Ev-er
loy-al brave and true. Thru her halls have tread great men of
yes-ter-day may her spi-rit live on thru the years,
Se-na, Seth, and Ca-tron all have mem-o-ries Of the
hap-pi-ness and joy and tears. May the blue and
gold wave there for-ev-er – Flaunt-ing all her his-to-
ry, S. F. H. S. we will all re-mem-ber
Ev-er proud we'll al-ways be.

FORWARD

The 1950 model of Para Mañana has rolled off our assembly line and our work is done. We, the staff of '50, along with many others who have helped us on our way, have endeavored to make this second edition of your yearbook as successful as the first.

Our factory of pen-and-ink and film-and-photograph has tried to streamline our product to meet with your approval for it will be your transportation in the future by which you may travel back over the road of memory to your high school days of fun and laughter. We hope that you will enjoy thumbing through these pages as much as we have enjoyed putting them together.

From the Desk of

J. C. Bird

City School Superintendent
Santa Fe, New Mexico

I am glad of the selection of the theme, "Power", for this year's volume of "PARA MANANA". The word has a dynamic quality that expresses confidence in the ability to go forward and to overcome any obstacles that may lie ahead. I am sure you will be delighted with the 1950 edition of "PARA MANANA" and will find it invaluable in keeping alive fond memories of your Santa Fe High School days in a power-packed Atomic Age. When you reach the evening side of life and shadows begin to fall across your pathway, may you be able to look down memory lane over a life glowing with success and happiness, is my sincere wish for you.

Cordially,

J. C. Bird

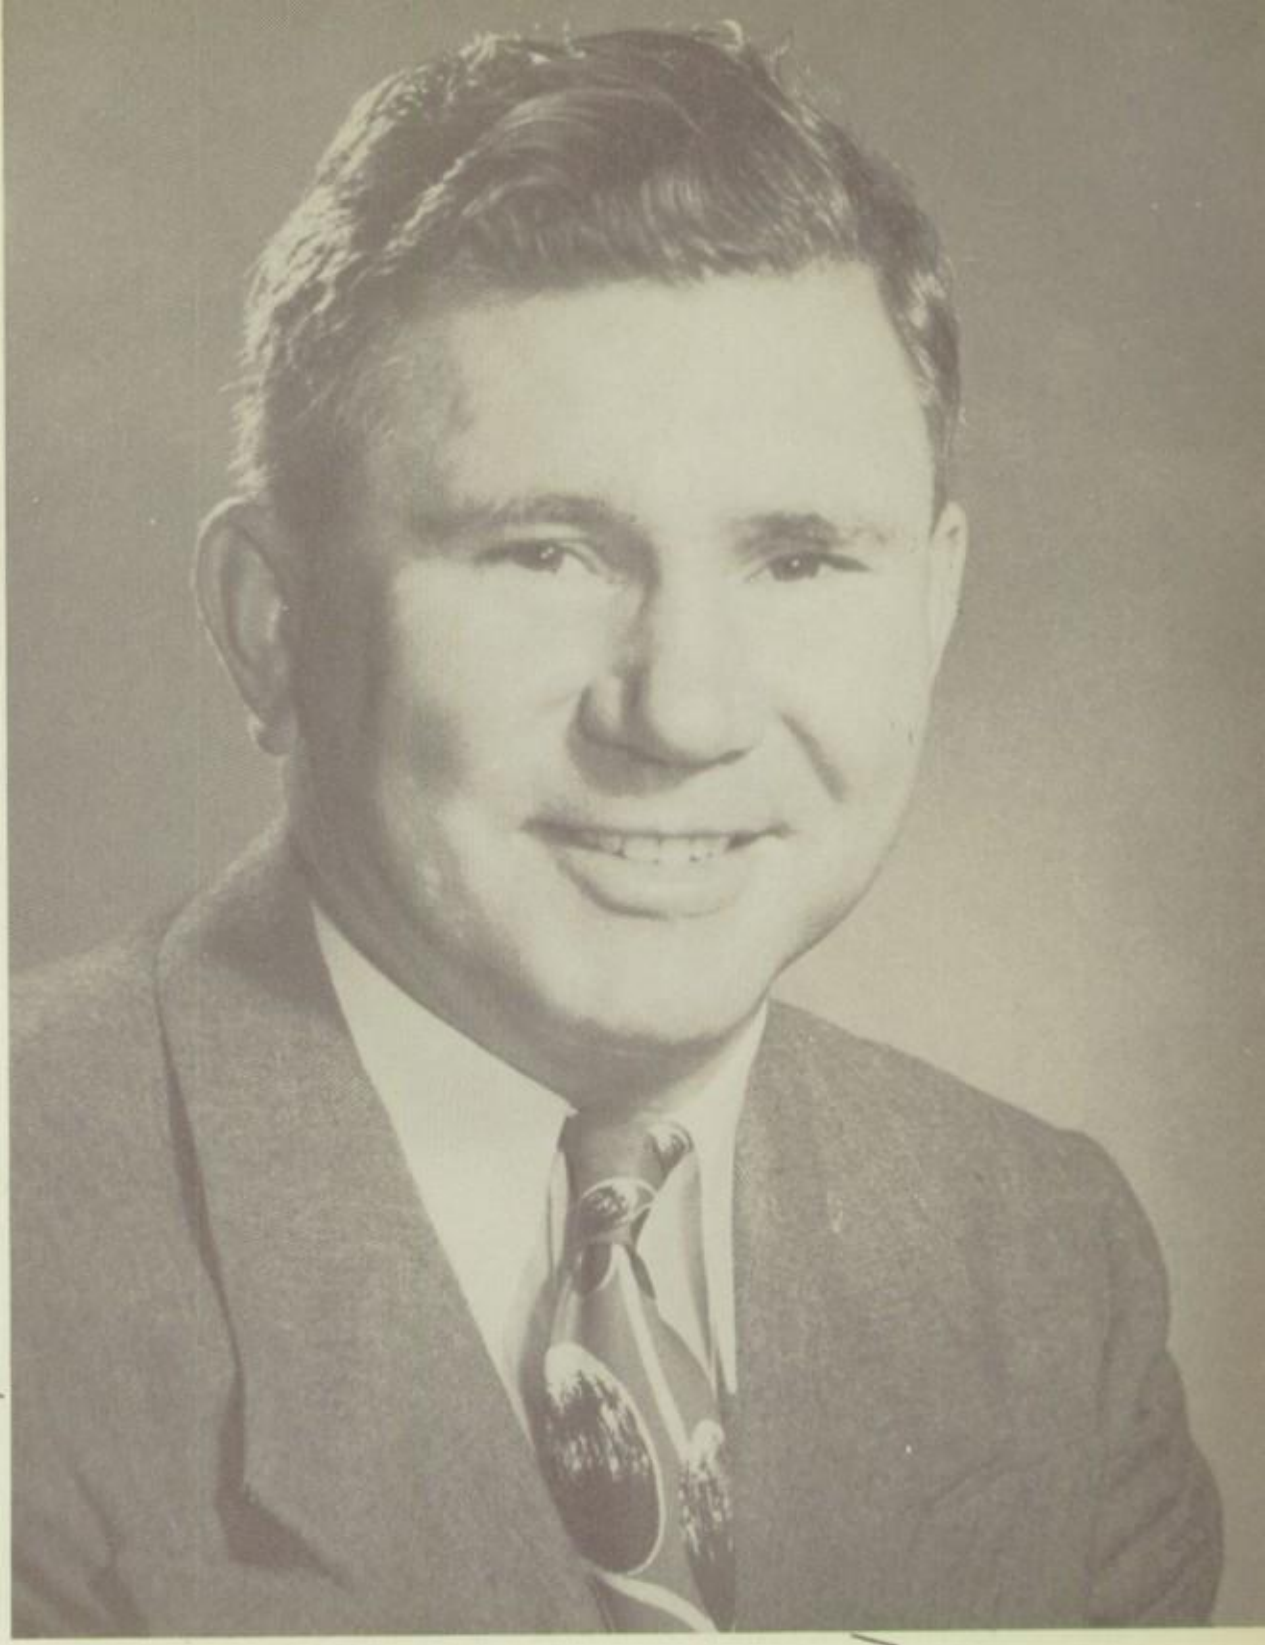
PRINCIPAL
SANTA FE HIGH SCHOOL
SANTA FE, NEW MEXICO



Date May, 1950

This copy of "PARA MANANA" is an important part of the 1949-50 history of Santa Fe High School. It is a record lovingly gathered and attractively presented by a fine and talented staff. It is a tribute to the Class of '50 which has underwritten it.

We all - students, teachers, administration, and parents - welcome this volume as a true record of events and traditions of our high school. We know it will serve each one who possesses a copy as a book of memories. We hope it will serve, also, as a tie of friendship for all who worked here this year.

Sincerely,

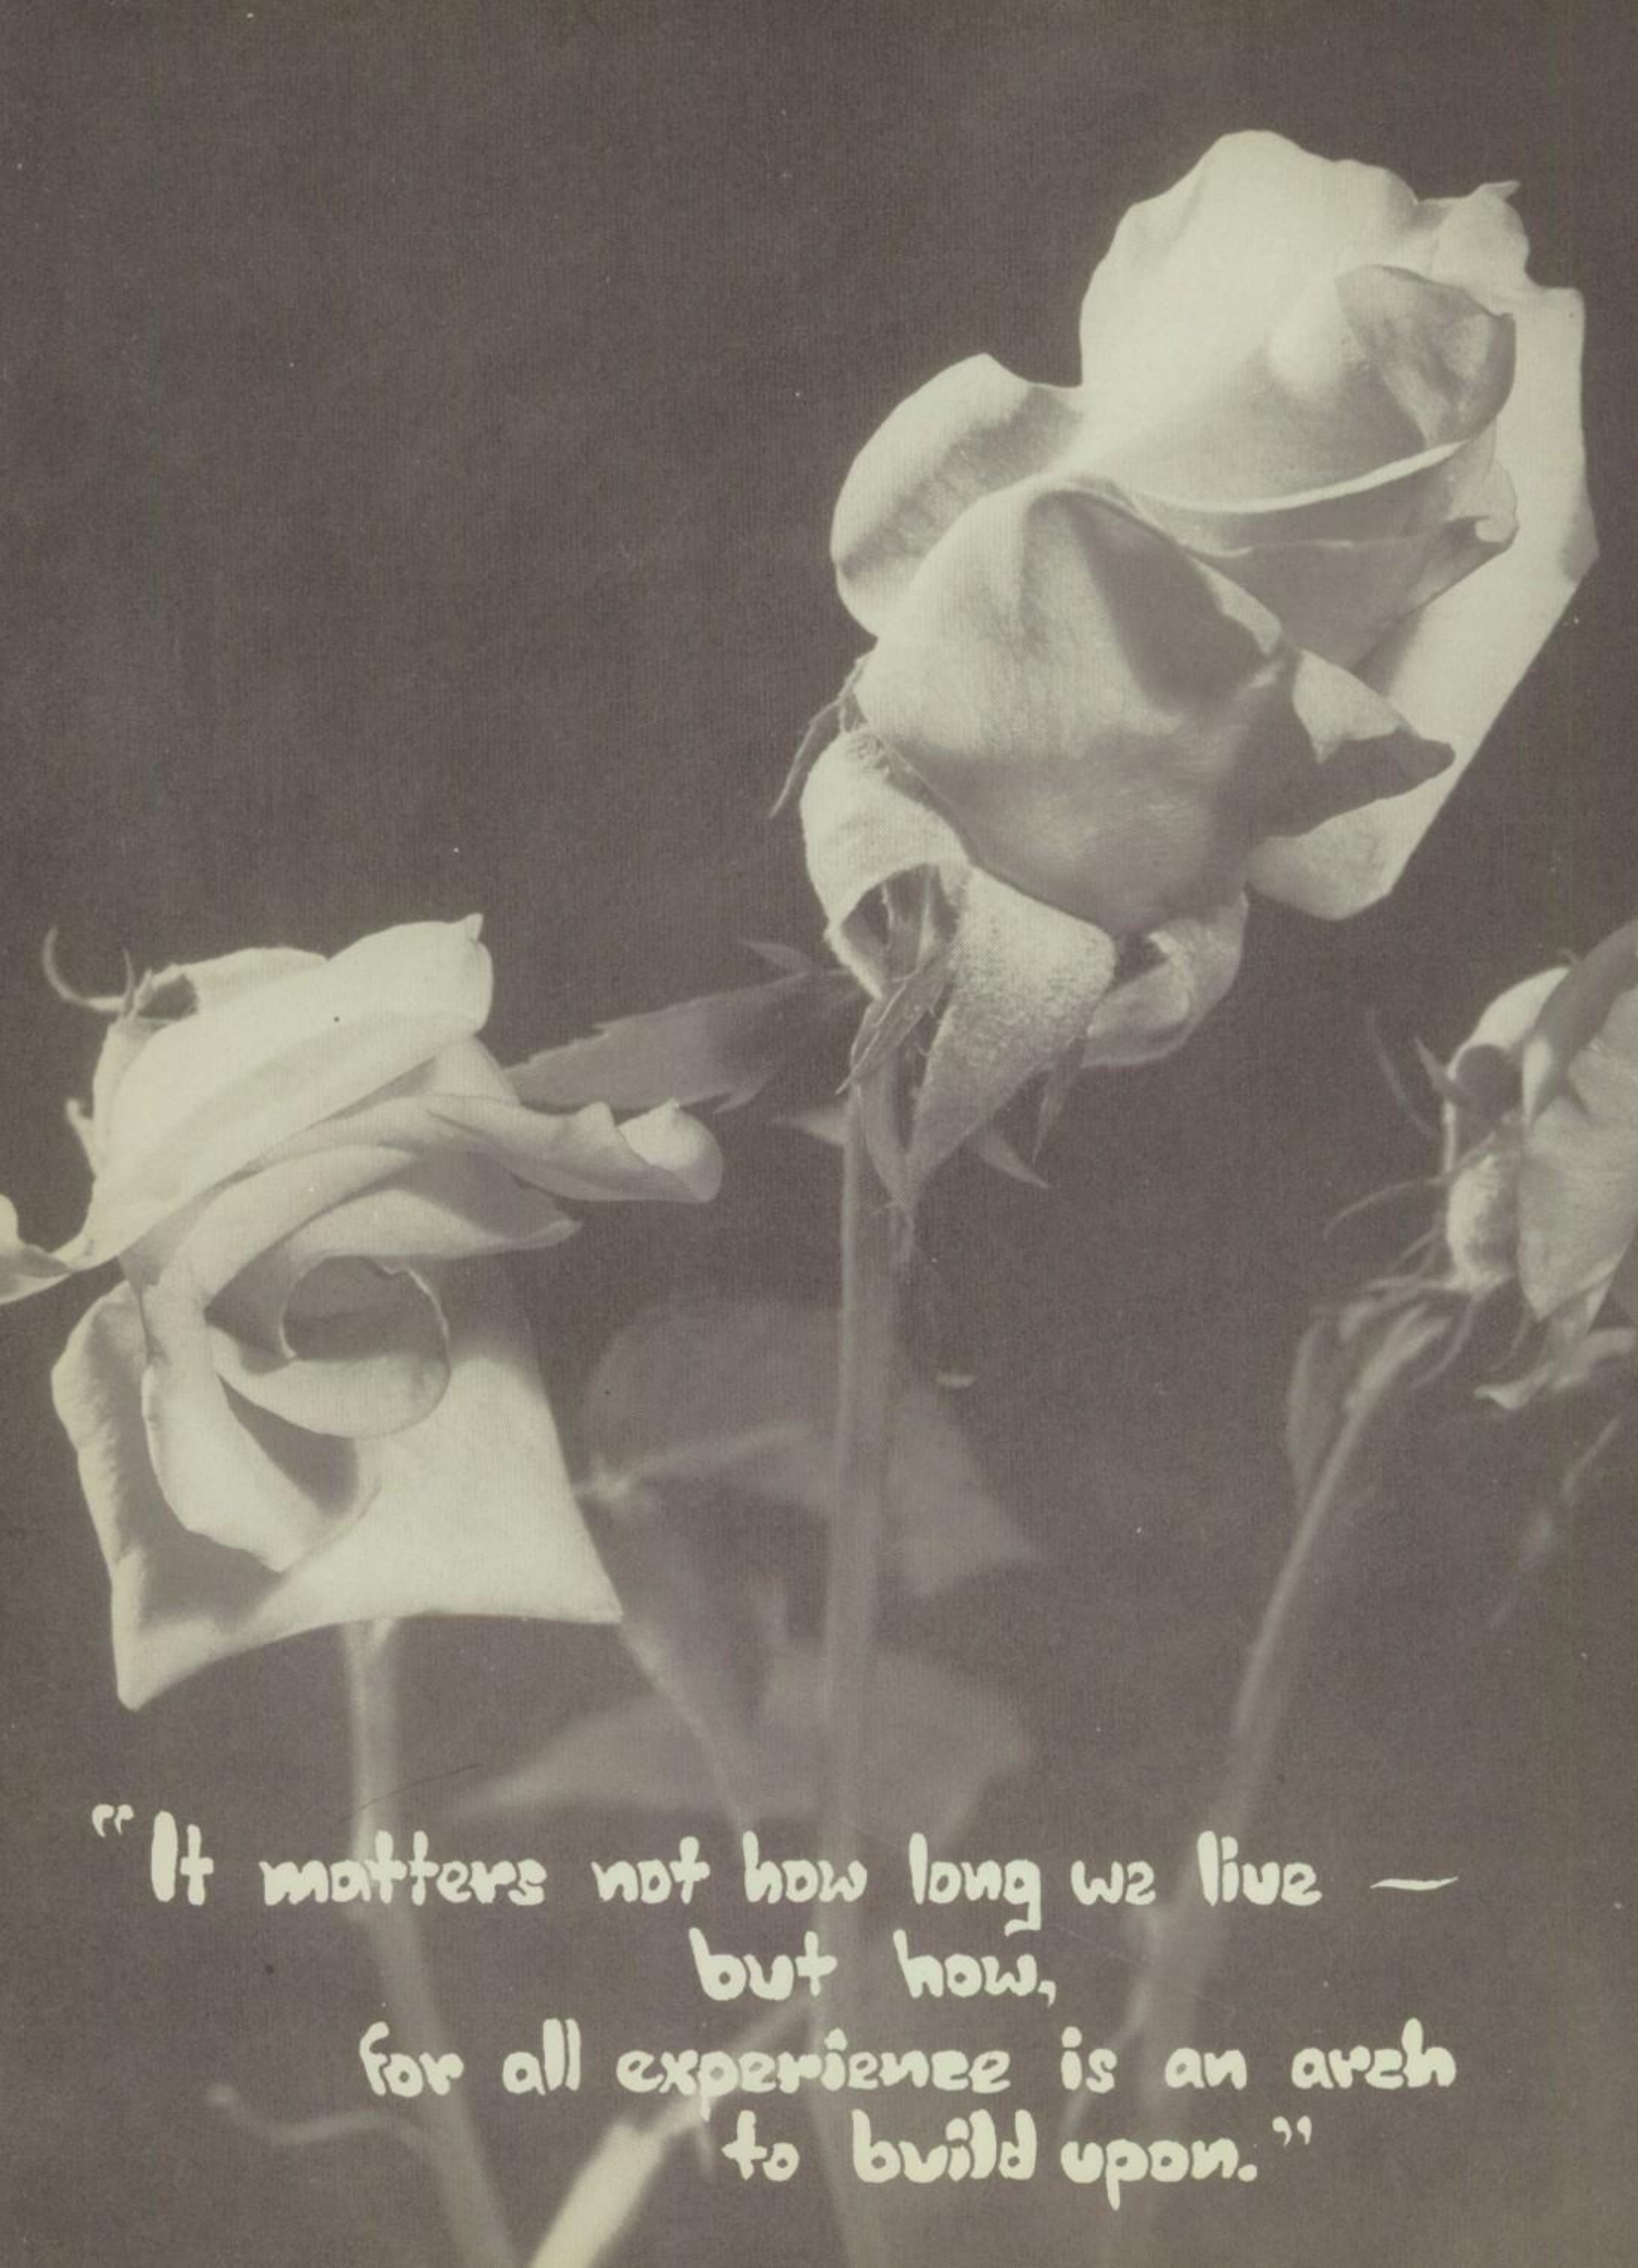
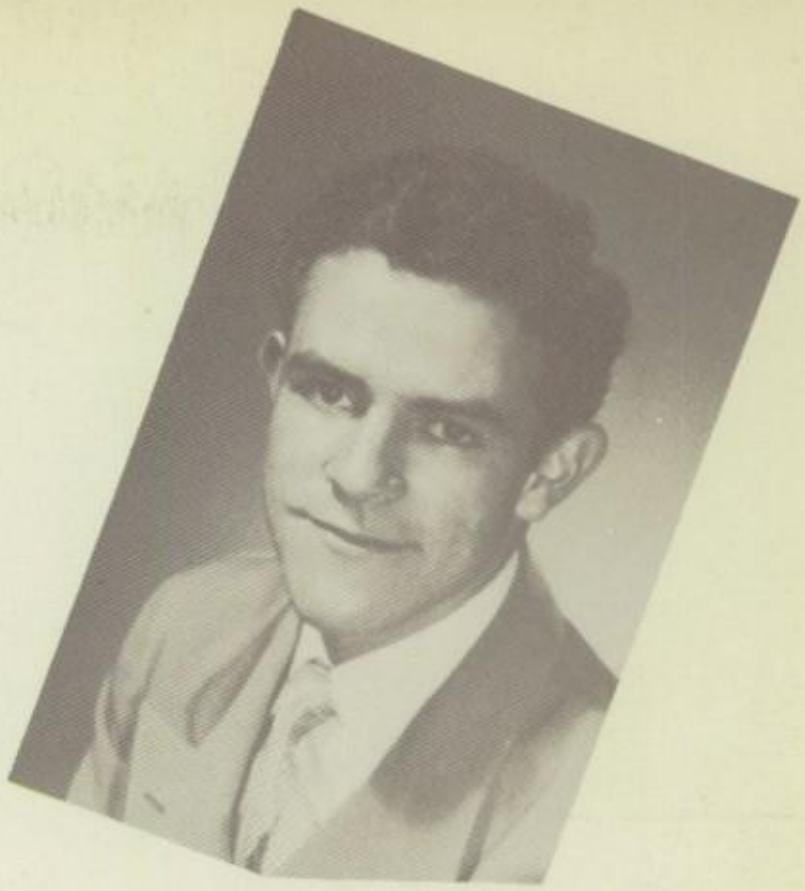
HUE-MAN



"It matters not how long we live —
but how,
for all experience is an arch
to build upon."



We, the class of '50, have reached the end of the long, hard but pleasant road of our public education. In this book we have a lasting reminder of the year we consider most important.

For me, especially, this senior year has been a happy one because my class honored me with top office. It has been a pleasure to serve you.

Now that we are about to graduate and to leave our Alma Mater, let us not forget that we are not saying "good by" to the many friendships we have made here. We are only saying "So long-see ya!"

In our hearts we shall always treasure the remembrance of our happy high school days.
